If presented the opportunity, I would be interested in competing a solo for the 2010-2011 dance season. To qualify for a solo, dancers must have good class attendance, be current on their account, represent Studio 4 with class and dignity at all times, and understand class dances are of first and foremost importance. (If additional opportunities result in a negative effect on class performance, these opportunities will be removed). Please understand that dancers may be required to learn a previously competed solo from a video tape and may be rehearsed by any of the Studio 4 staff. Instructors will be chosen by studio directors.

I agree not to contact Studio 4 and or its staff within 24 hrs of receiving placement packets. All calls thereafter must be made to Studio 4 during business hours 952-736-5472.
